NOTE FOR FILE

SUBJECT: Archives research clearance for Bradley Manson,
Senate Judiciary Subcommittee on Antitrust and Monopoly

1. Bradley Manson's research into Archives material of the World War II and Post-war period may or may not include classified Agency data.

2. His security clearance is being verified by the Office of Security. Upon confirmation notification will be made directly to Mr. Daniel T. Goggin, Director of the General Archives Division.

25X1A

[REDACTED] our representative at Archives is coordinating and supervising our exchanges with the Archives. He advises that if Manson comes up with any CIA or OSS documents he must request Agency approval before getting access to them. [REDACTED] will keep OLC informed of developments.
